

Dear Parent or Guardian,

Thank you for sharing your student with me this school year. I will do my best to help your student reach their maximum potential. In order to have a safe, secure, and productive learning environment, the following classroom expectations are in place:

1. Respect the rights and property of others.
2. Follow directions.
3. Work quietly in the classroom
4. Be a good listener.
5. Raise hands to speak or leave seat.

I know the students will work hard to follow the rules they developed. At school, I will encourage them in their efforts at self-control. If I need help with you at home, I will contact you by phone, note, email, or a combination. If you have any questions or wish to speak with me, I can be reached at (956) 427-3600 ext. 1042 between 8:15 a.m. and 9:00 a.m. as this is my conference period. If this time is inconvenient for you, please leave a message and I will return your call as soon as possible. You may email me at randall.snyder@hcisd.org. I look forward to working with you during the coming school year.

Sincerely,

Randall Snyder
Criminal Justice Instructor
