In the military I served as an active duty recruiter in which I was responsible for the accession of qualified applicants into the Texas Army National Guard. In addition to general recruiting duties I was qualified in the instructing of several high school courses designed by the National Guard. The courses instructed included Career Direction and 30 additional motivational presentations designed for health and social well-being, life betterment and career preparation, discovery, and disaster preparedness. These design of these courses were to motivate the students while and introducing them to necessary life skills.
